Dear friends of go4peace,

At the end of this Holy Year, in which Pope Francis has invited us to walk as pilgrims of hope, I would like to share with you a "strong moment of hope" from my own life this December:

"'May I call you?' I read on my mobile phone. 'Of course!' was my quick reply. 'I really wanted to talk to you personally, because when I received the small package with the wonderful star yesterday, I was so touched! It gave me so much hope in this difficult time. You know, I come from the Gaza Strip and have been in Germany for a few years, but my whole family is still there – at this point they are living in makeshift tents they build themselves...'

I listened intently and felt what my little gift meant to this Palestinian woman in a neighbouring town. It had all begun when her friend had brought her the Light of Bethlehem ... God writes HIS very personal story of peace into every kind of darkness!"

At the end of this special year, we want to thank you for the pilgrimage of hope that we have walked together throughout 2025. Thank you for all the experiences we have shared. They are — and will remain — stars of hope in the night sky of our time. May Jesus be born this Christmas amid His people in many places. We feel united with all of you in prayer and love as we continue on our way!

Let us join together this December across all borders under the motto: *Bring Light!*
