Make a change!

Dear friends of the word,

At first it was small fragments of the gospel that touched her heart.: “ Remain in me!”
- “If you keep my commands , you will remain in my love.” - “If you remain in me and my words remain in you, ask whatever you wish, and it will be done for you.” She had started to love, to be there for other people and to ask God for everything she needed to do so. And so the adventure of the gospel began for Mihaela from Slovenia.

She met a poor young mother and her sick child. The young mother asked for money to be able to buy medicine for her child. Mihaela was touched by the by the distress of this young woman and she asked for money in various groups. This concrete love of Mihaela touched many people and the money for the medicine was raised in a very short time. Mihaela recounts: “I was very surprised and understood the power of the gospel. Somehow Jesus tells us: ' Give, then I will be able to give you all you need!For me, Jesus is like a wire through which all of God's loving energy passes towards me. Just like a lamp! But you have turn it on for it to shine. You have to be 'switched on'.

Dear friends of the word, if we are 'switched on', if we are 'online' and give ourselves, our hands will be empty and can be filled by God. This is were the adventure of the Gospel starts. HE invites us to trust HIM and HIS power – in all the challenges that life presents to us. HE wants to give us everything we need and work in partnership. We need to switch on the lamp of trust and give ourselves. This is a small step that can have a GREAT effect. So: **Make a change!**
