Jesus wants to reach you!

Dear friends of go4peace,

This year we went on a journey of discovery together. We have been looking for Jesus, who wants to live in our midst. The discovery that he lives on after his earthly death was made by Mary Magdalene, Mary, the mother of Jesus, Peter, Thomas, and many others 2000 years ago. This story of discovery is valid for all time. It wants to be made individually. So at the end of this year the question is this: Did you discover that Jesus was hidden in your midst?

I would like to share my experience: At the end of this year's summer camp, we met with the Ukrainian camp participants in our church. I thanked them for the love they had invested in the camp. In this love, I said, God was and is at work because HE is love. Later that night a Ukrainian woman wrote to me: "Thank you for this wonderful time. I felt such a deep peace within me. I will return to Ukraine, but I caught myself thinking that I wanted to stay here because I discovered a life among us that I did not know before. "

Tell your friends about the moments when you felt the hidden God close by. That takes courage. And if you like, share your experience with us in the app "go4peace" under the button "discover and write".

Tomáš says: "A special year is coming to an end for me. I have experienced many beautiful and also many difficult things. When it got hard, I remembered that I can always love, especially in difficult moments. So I just did that. I often had the impression: Jesus is there. He is reborn through love. And HE has given me the light for the next steps. This is Christmas. Jesus dwelt among us. And HE wants to dwell among us today. **Jesus wants to arrive! Jesus wants to reach you!** - I wish you a Merry Christmas. May he always be reborn among us in many places on earth. Let's stay connected!"
