Dear friends of go4peace,

All of a sudden, something happens that seemed impossible before! The feeling of not being good enough, the fear of failure, the worry of doing something wrong are gone. You feel a courage and an inner strength that wasn't there before. You are given a dynamic that allows you to move on and brings you back into life.

After his death, Jesus' friends had withdrawn behind closed doors out of fear. They stayed together and found the peace that Jesus had always spoken of. They felt that He was close to them in this and this allowed them to carry on in the power of His Spirit. They let themselves be moved, received the Holy Spirit!" (cf. Jn 20:22)

A young woman had finished school. She was glad that she managed to complete everything. It was a challenging time. Only then did she begin to think about what to do with her life. It wasn't easy at all. She decided to do a voluntary social year in the social sector. But she quickly realized that this would not be her path. "During this time, I repeatedly commended my search and all my plans to God. That really helped me! God is Spirit. It is in this spirit that he is there for me. So I always try to be *online* for him and actively count on him in my life!"

When we breathe in and out, we breathe the same air that all our ancestors and Jesus breathed. With our breath we breathe the rhythm of God's life. He makes us grow, gain confidence and become courageous. **Be attentive!**
